### Experience

88.3 FM WXOU *2018 to 2019*

Designer

I worked with a team of designers, who collaborated to currate event posters, concerts, and student involvement on campus.

Oakland University *2018 to 2019*

Desk Attendant

This work environment was upheld with organization of student's mail, packages, and ID's. I would scan in each item into the database using Excell spreadsheets. I demonstrated communication, technical, and organization skills throughout my time of employment.

Chipotle Mexican Grill *2019 to 2021*

Crew Member/ Certified Trainer

This is a very fast paced environment to work in. As a certified trainer my job is to make sure each new team member knows the standards and what to do when they come in for a shift. This job has taught me the value of teamwork, time management, as well as organizational skills.
